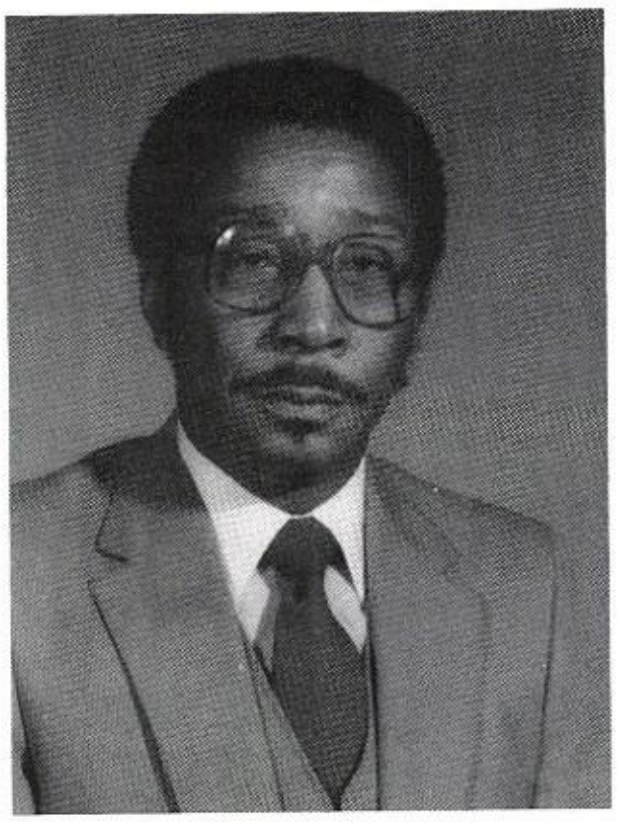
Mr. Bryant takes a break.



Principal-Mr. Huey Bryant, Jr.

North DeSotoians:

We are moving continuously toward our goal of educational excellence. With your help, this process can be enhanced. We need you in our PTSA, we need you in our Booster Club, and we need you in our parent volunteer program.

North DeSoto can only be as strong as the parent's backing our total program. We do not need a school run by strangers for your children. We need your backing if we are to reach the goal that you so justly deserve.

Come on North DeSotoians, grab the tail of the "Mighty Griffin" and help guide him in the right direction.

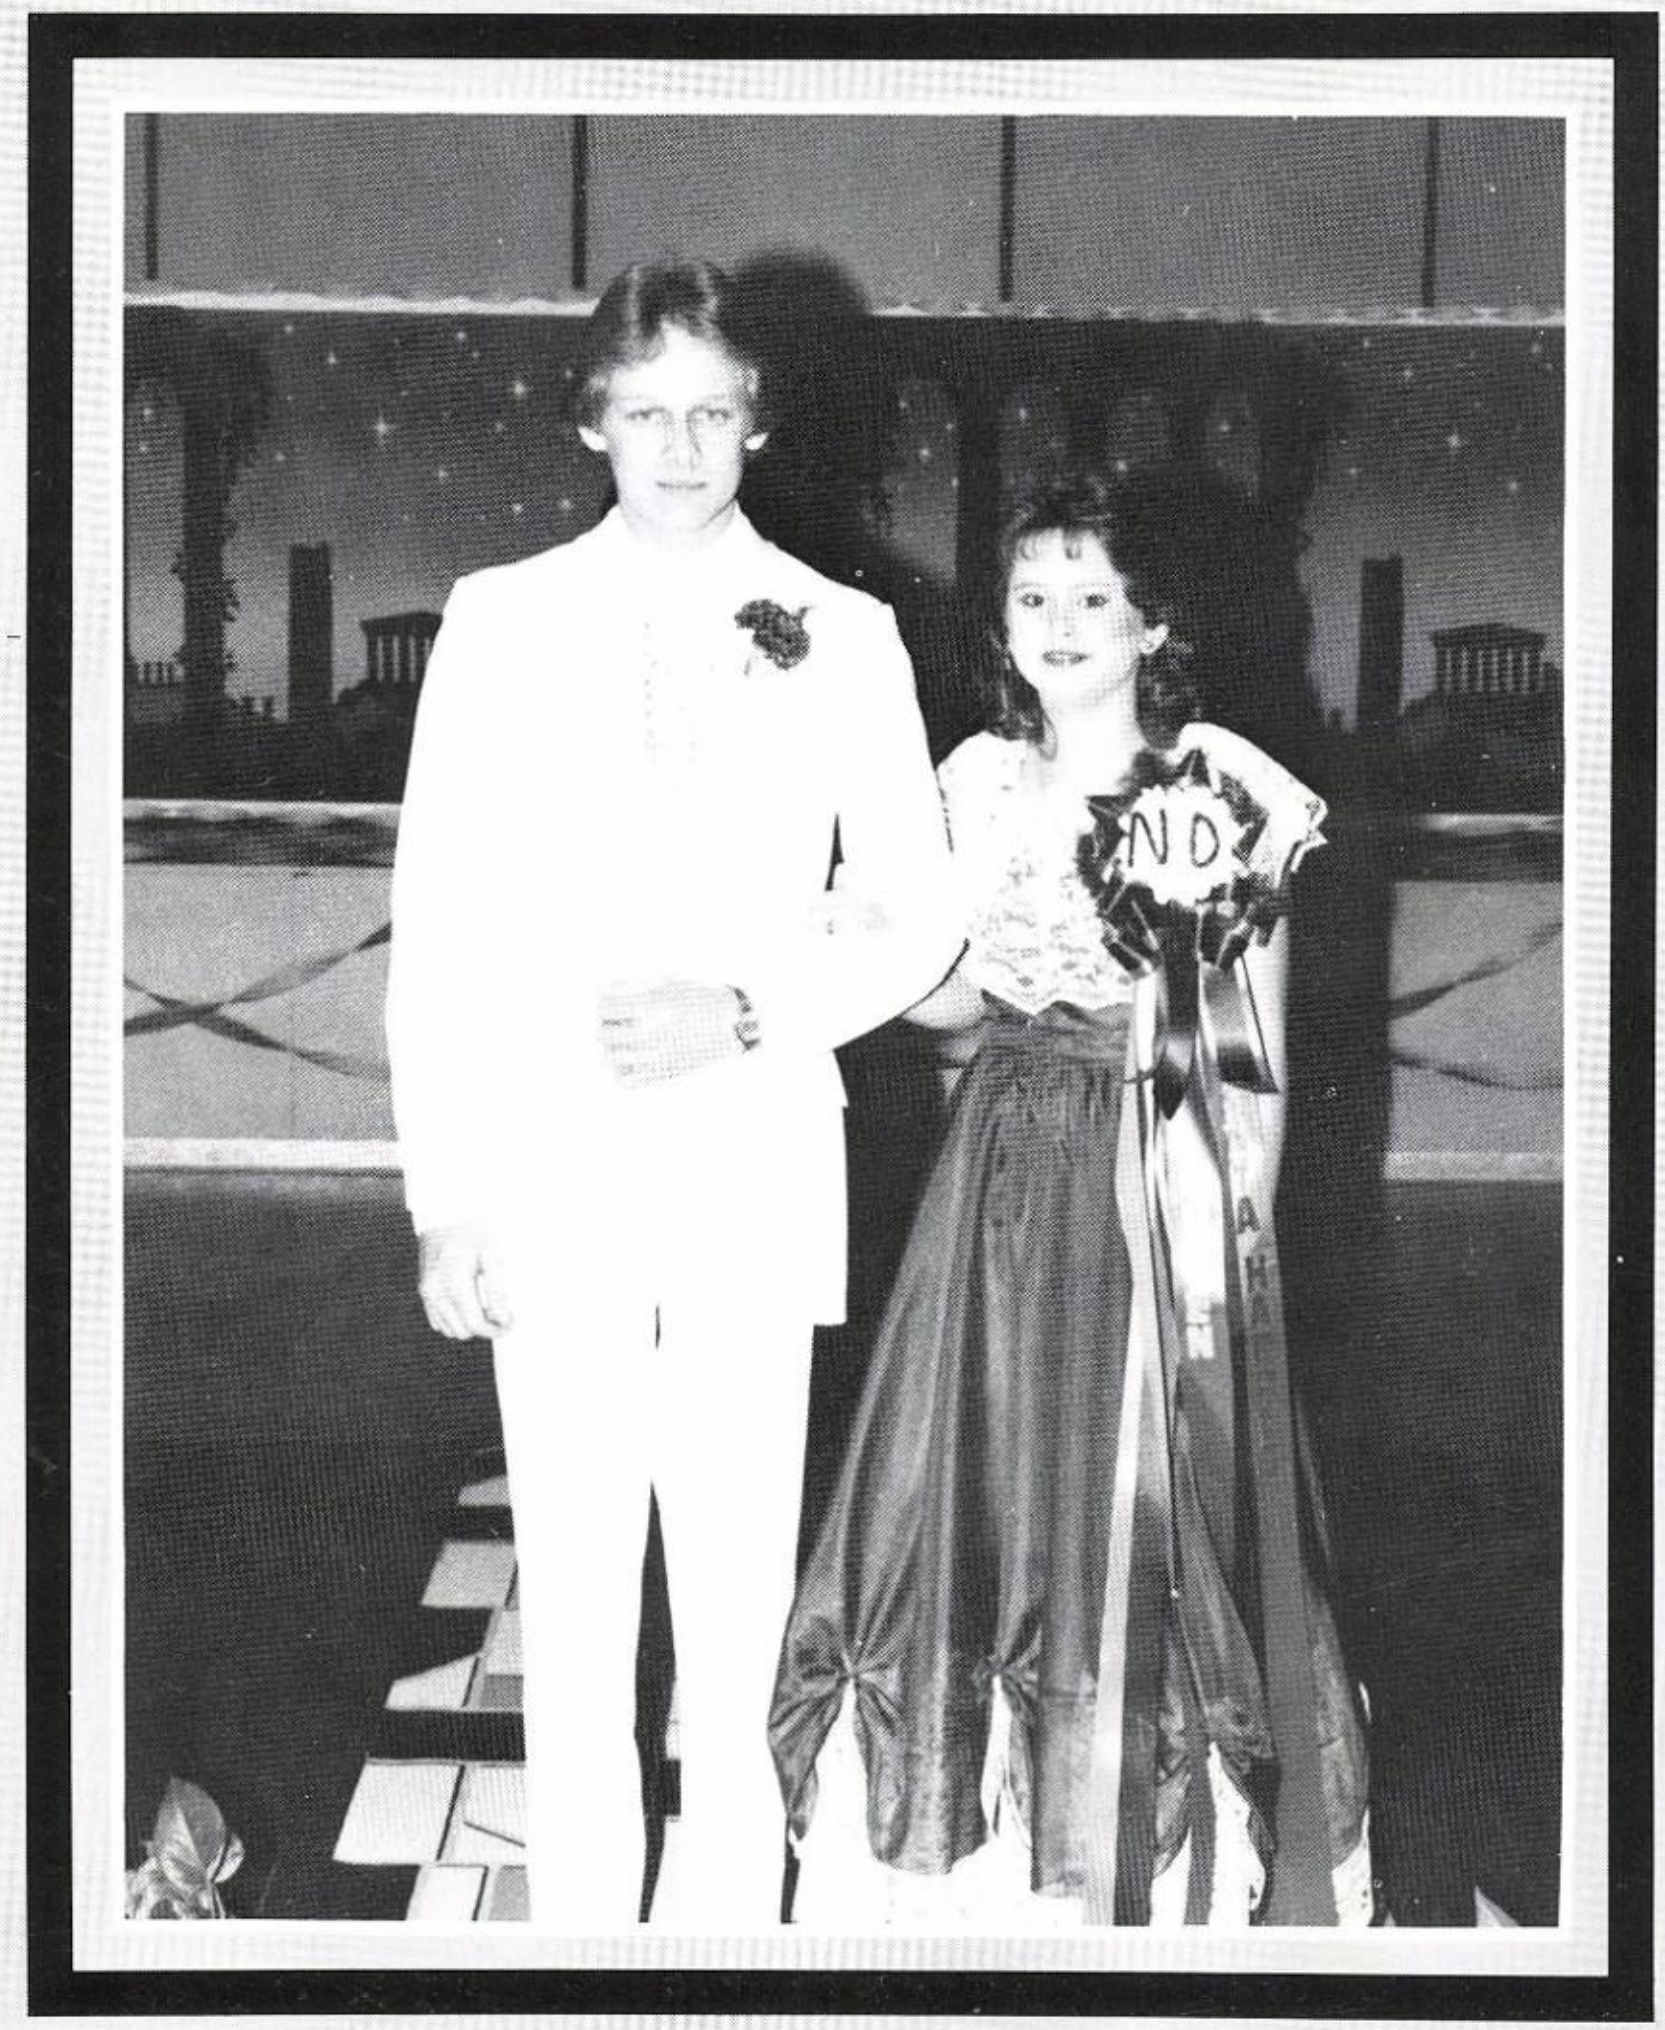
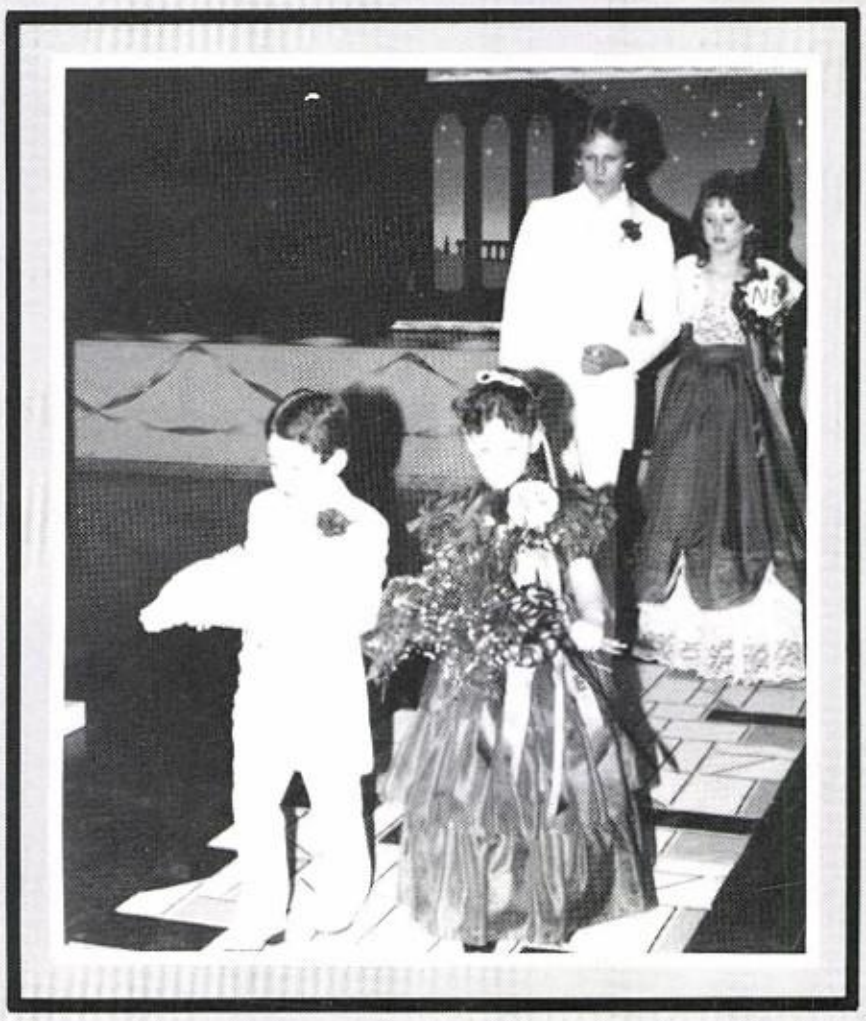
ACTIVITIES

Vance, our Homecoming King, is the son of Mr. and Mrs. Pete Robertson of Keithville, La. He proudly escorted our Queen in the homecoming ceremonies. Vance wants to thank the entire school for allowing him to participate in this special event. "This was truly an occasion that I will always remember," stated Vance.

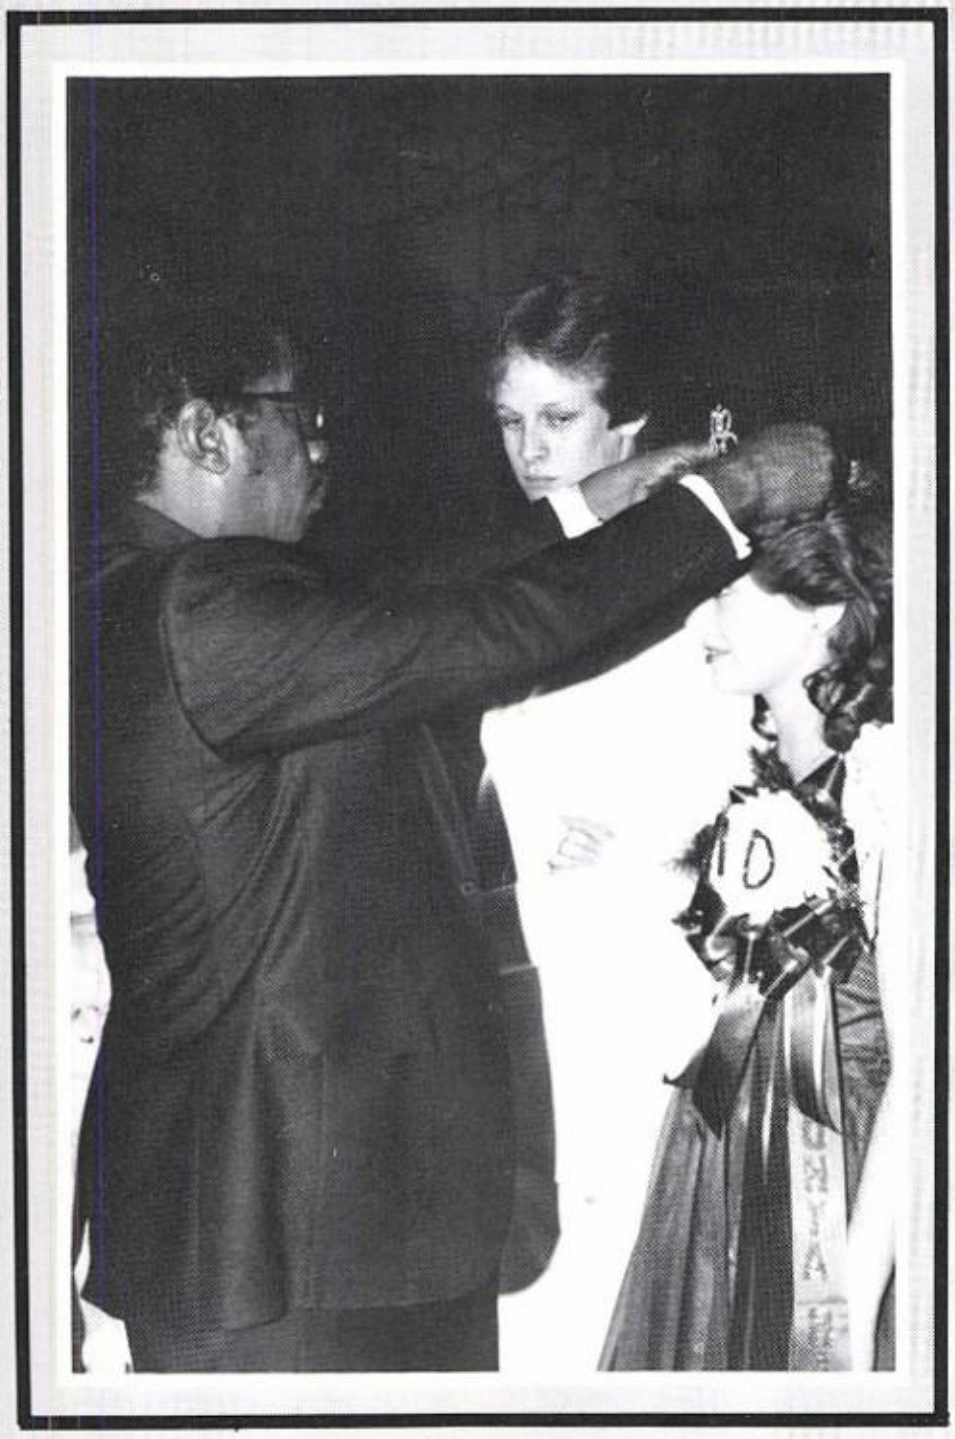
Our Homecoming Queen, Monya Harris, is the daughter of Mr. and Mrs. Patrick Harris of Stonewall, La. She was honored to represent North DeSoto in the homecoming ceremonies. She would like to thank you for choosing her as your Homecoming Queen. "This Homecoming will always be a very special one to me."



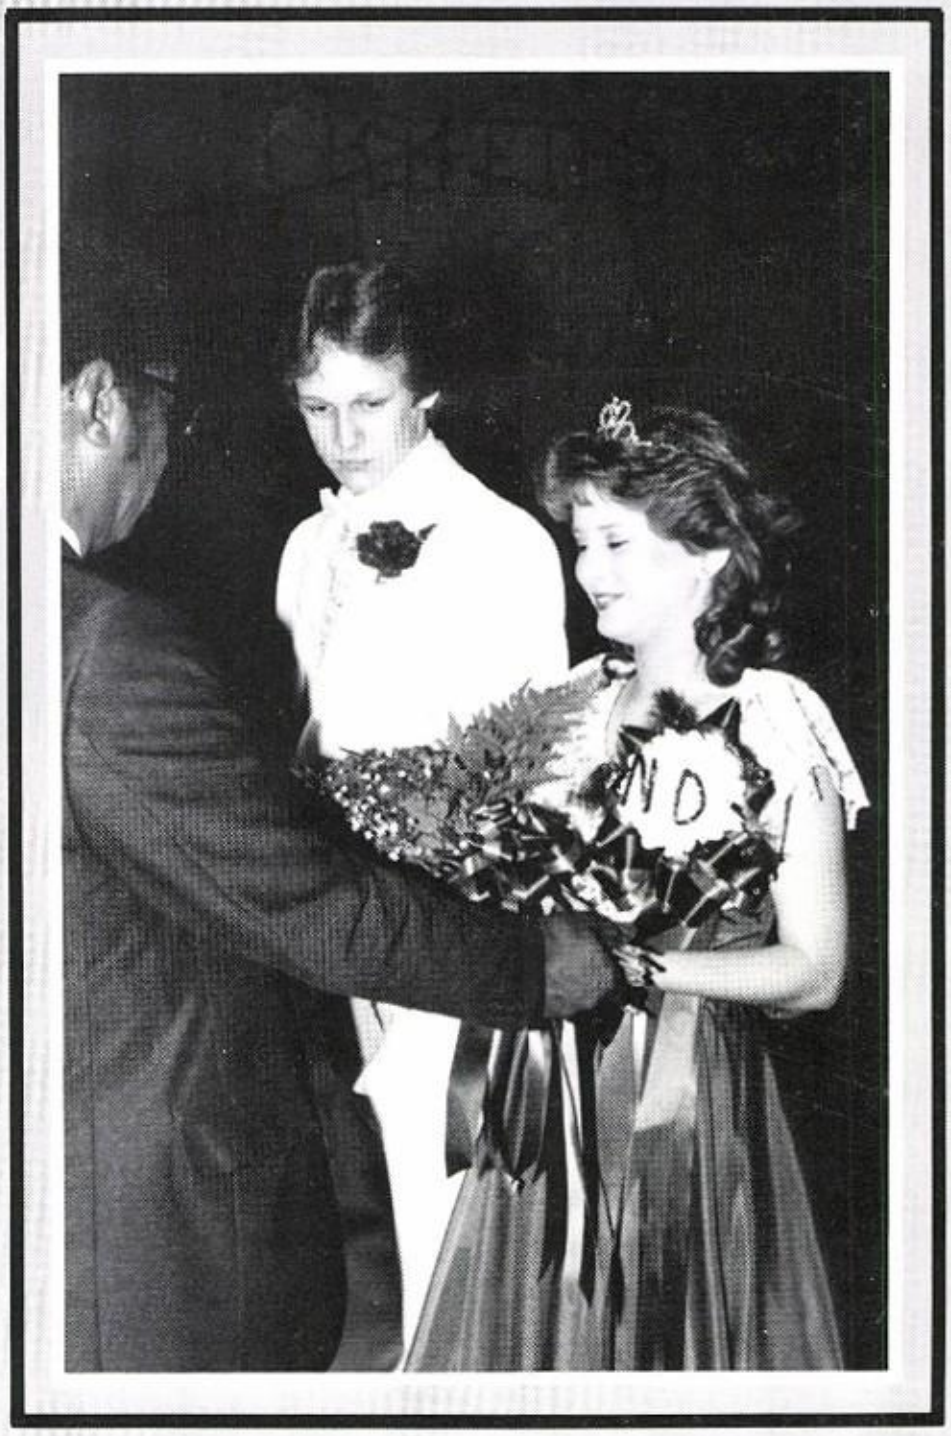
DeAnn and J.B. Mercer were attendants to the queen.



King and Queen approached their moment.



Mr. Bryant crowned Monya Harris Homecoming Queen.



Monya received her flowers while her escort, Vance Robertson, looked on.

HOMECOMING COURT

The Second Annual Homecoming festivities were held at North DeSoto on February 3, 1984. Monya Harris was presented as homecoming queen and escorted by Vance Robertson. The ceremony was held in the gym, which was beautifully decorated by the Student Government Association. Mr. Jones played soft music as the court was presented by Donna Miller, Mistress of Ceremony. The queen was crowned by Mr. Bryant while the audience applauded. Two maids were chosen from each grade and the basketball sweetheart was chosen by the basketball team. Each maid was escorted by the male of her choice. The event was beautiful success.

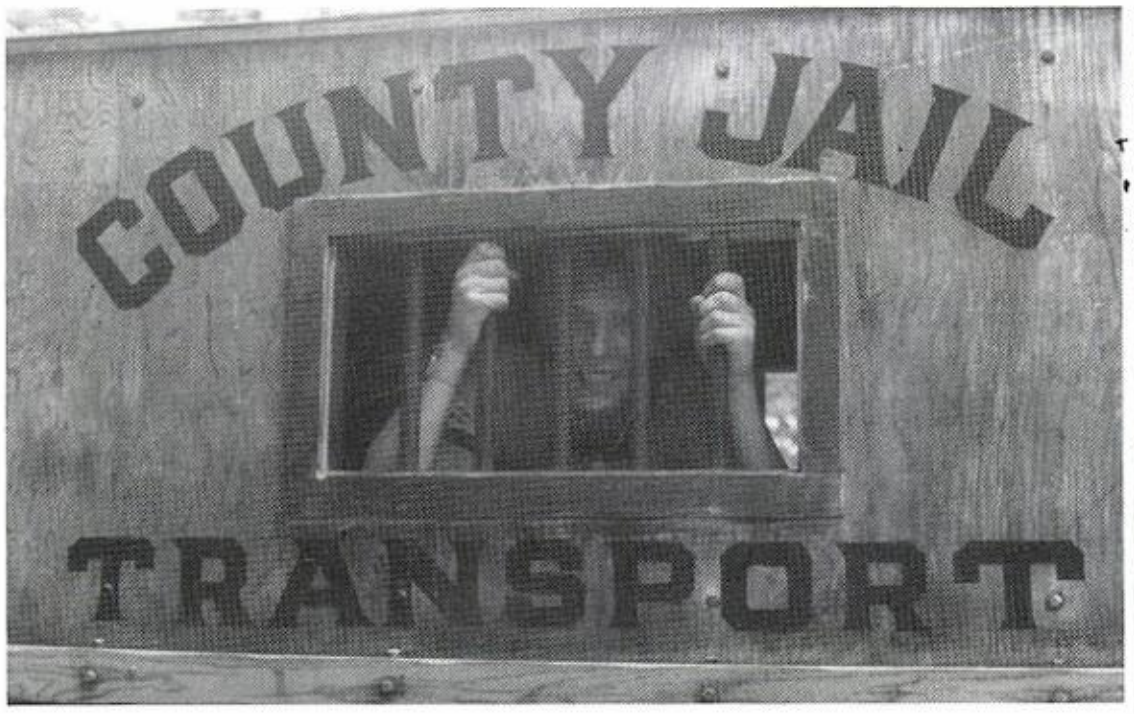
EXCHANGE STUDENT:
GUNNAR MOSSBERG

North DeSoto hosted the only exchange student in DeSoto Parish. **Gunnar Mossberg** was an exchange student with American Scandinavian Student Exchange (ASSE) from Nora, Sweden.

Gunnar received a scholarship to attend school in the U.S. His application was examined, he was interviewed, and because of a response to a radio broadcast (Station KFLO) the V. G. Weindorffs became his host family. Gunnar attends a "Gymnasium", (similar to a Jr. College) in Sweden. Although he has two years left before he graduates from his native school, he had enough required credits in the state of Louisiana to become a graduating senior.

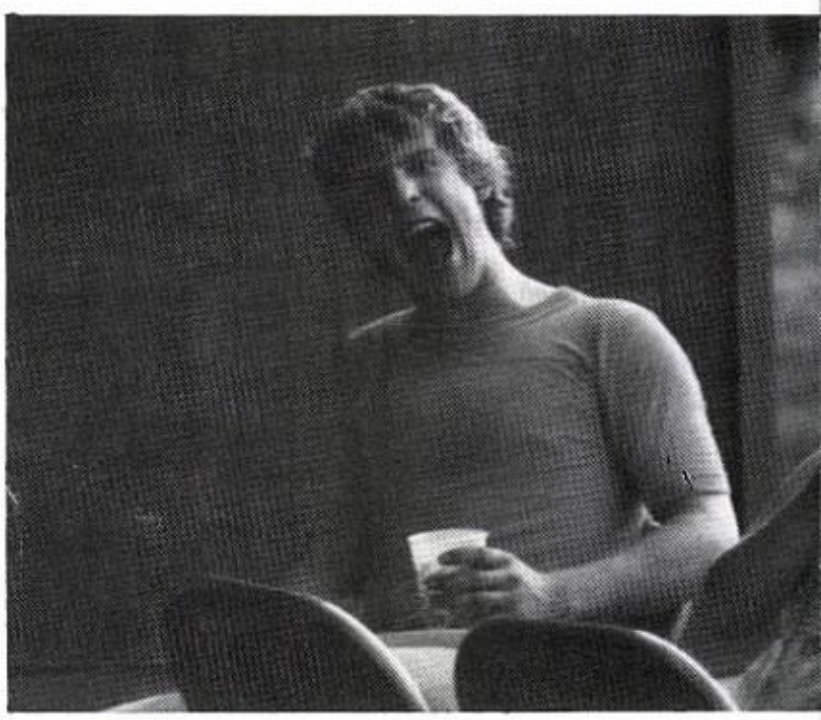
Gunnar stated that since he likes to travel, he decided to take his chances on the scholarship.



This is not exactly the way Gunnar arrived.

Gunnar participated in the Miss NDHS Nightmare Pageant.

Gunnar's first expression as he arrived in America.



Gunnar's lasting expression of North DeSoto & the USA.

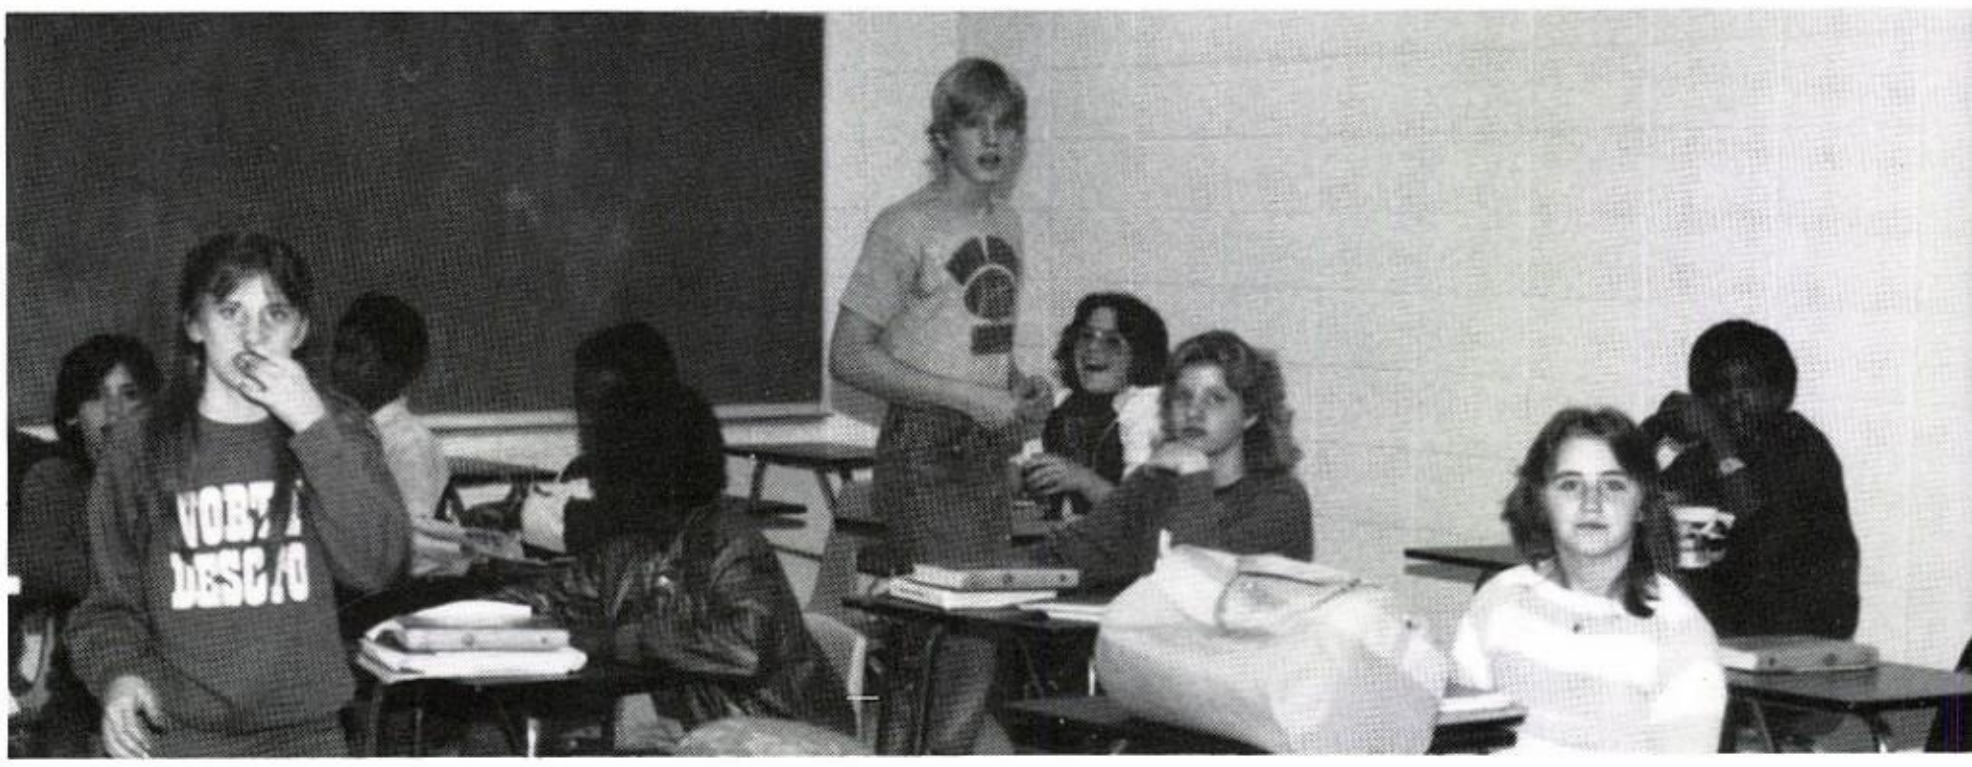
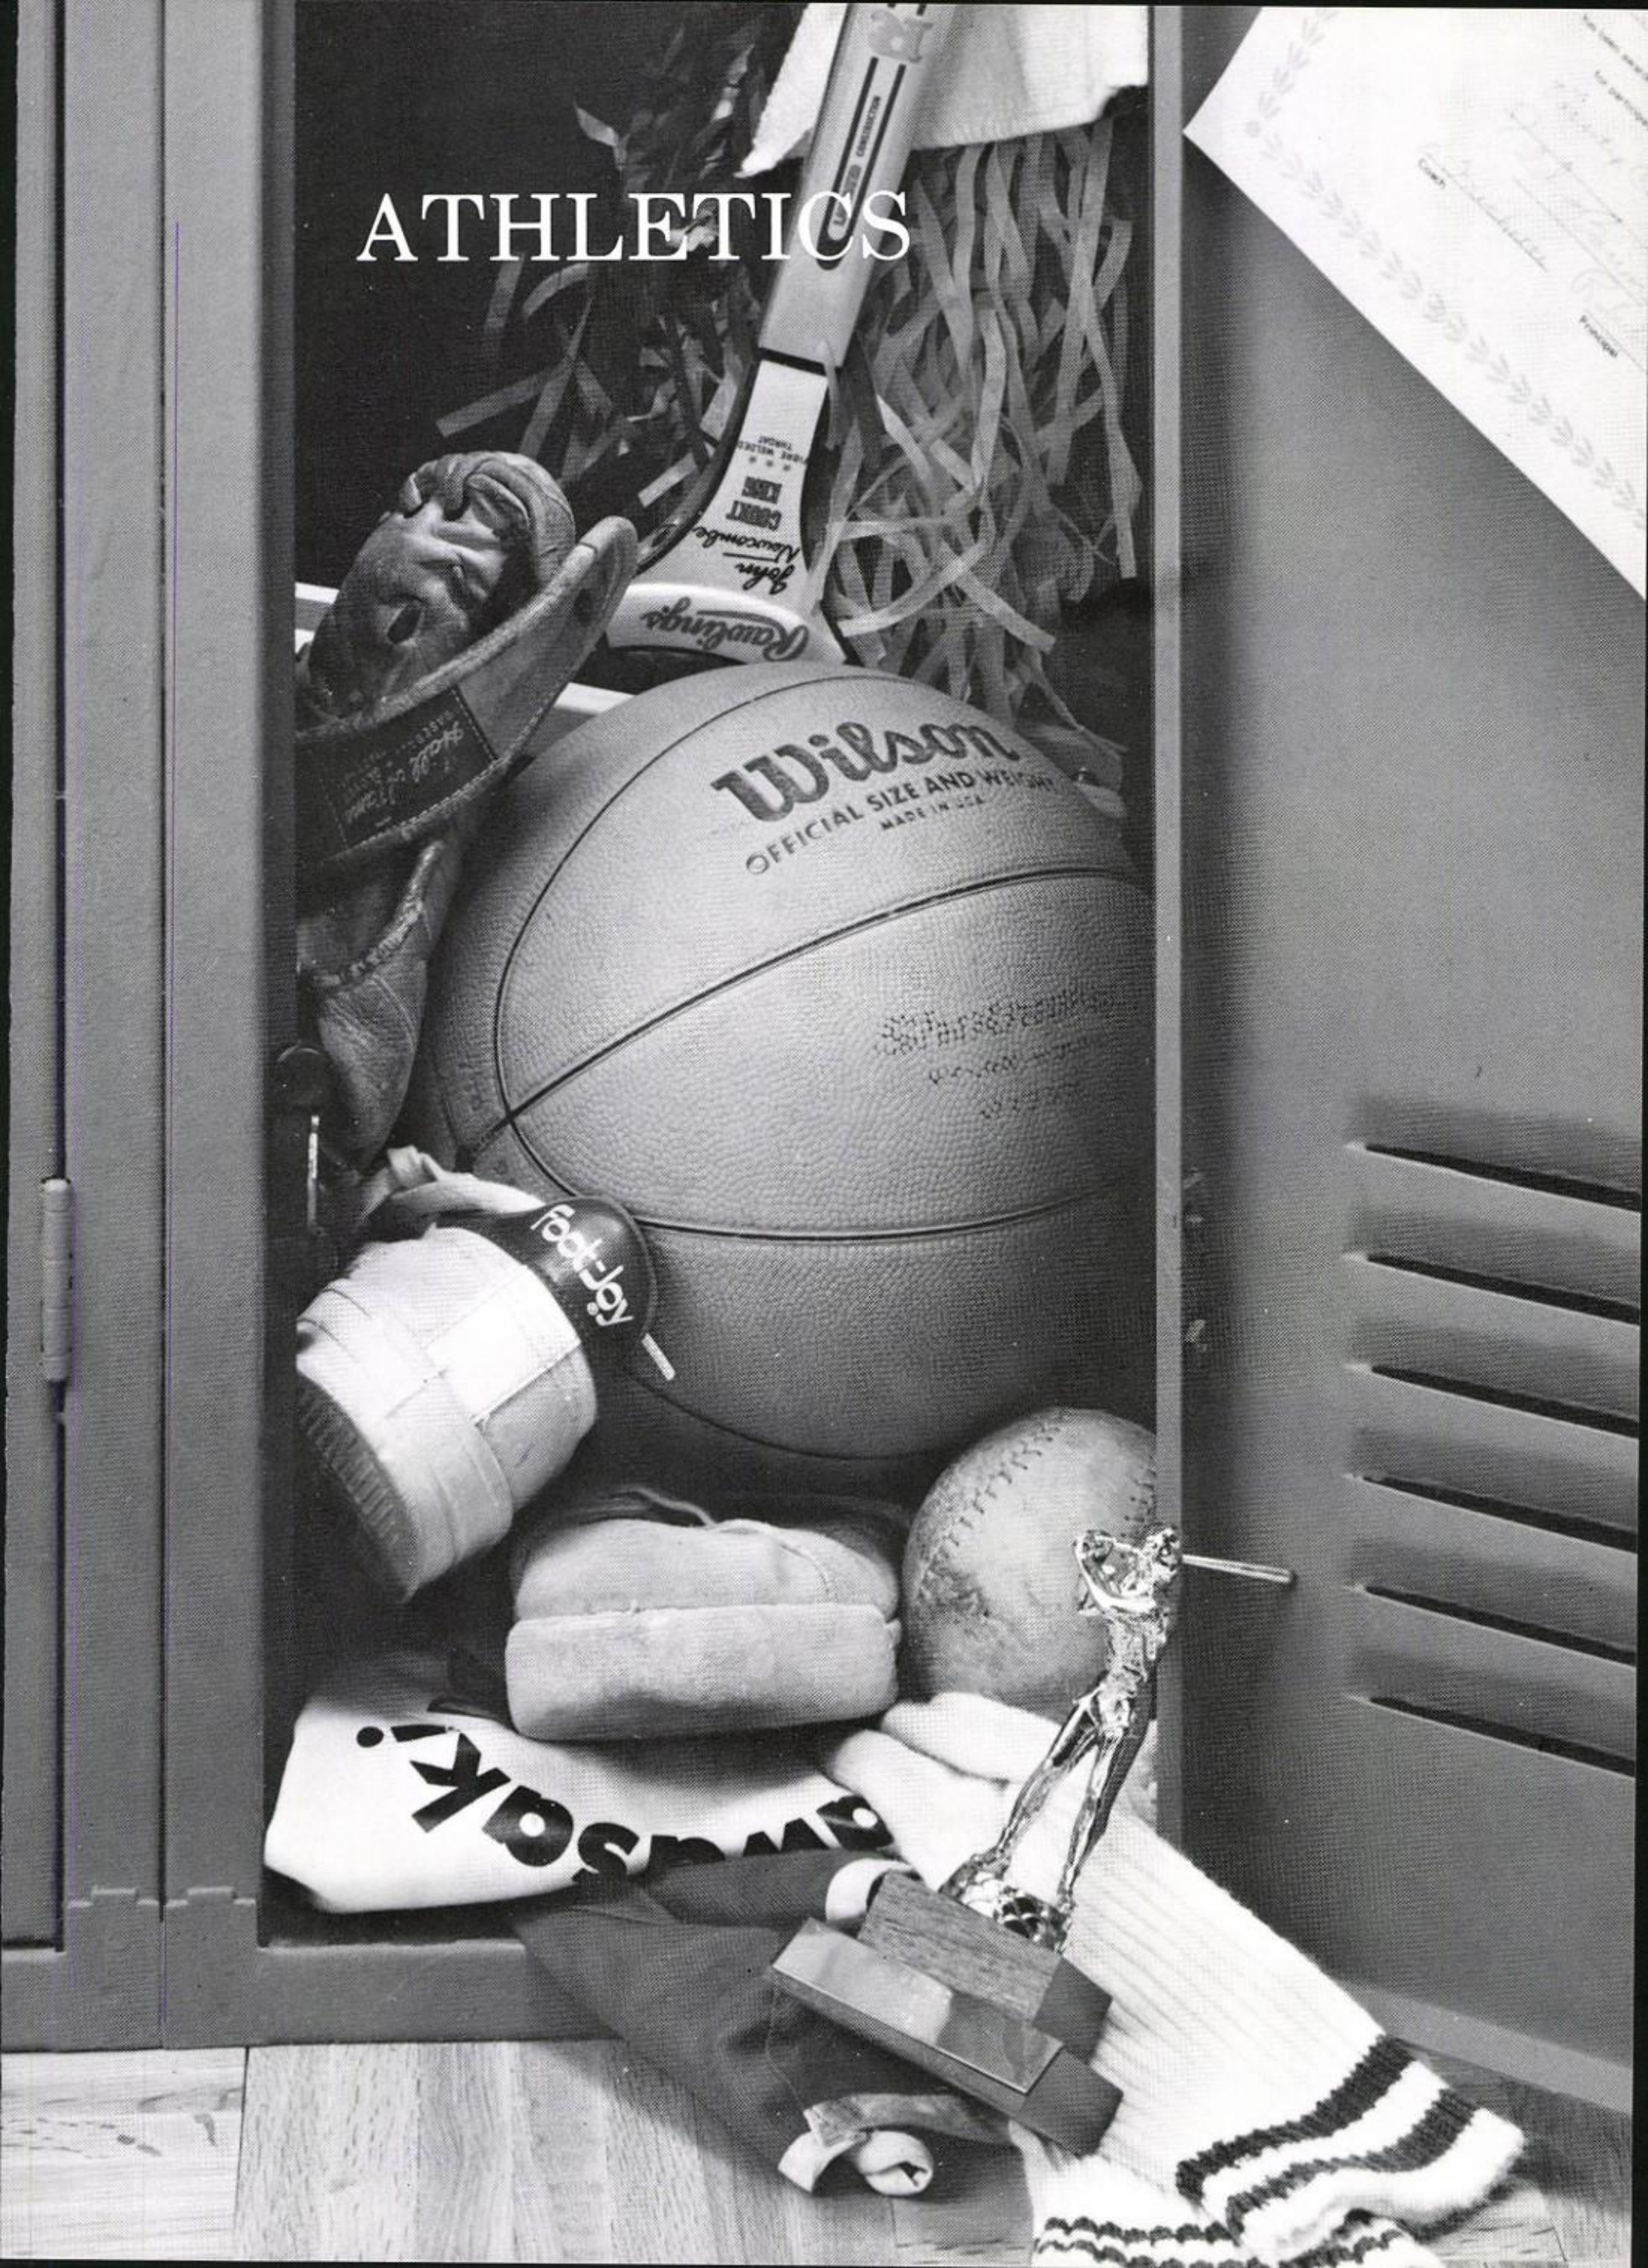
SALEM



ATHLETICS



Student Managers played important roles in the success of our teams. This year they were Mary Edwards, basketball; David Dothage, football.

The coaching staff consisted of (from left); Lee G. Henderson, basketball; Ken Rollins, football; Alex Montgomery, baseball; O. L. Hutchinson, girls track; Charles Green, boys track.

COACHING STAFF

Coach Rollins stated that, "The football season was a year for learning fundamental skills and digesting our complicated offensive and defensive systems. Though our win - loss record does not show it, the season was very profitable to the future of our program. The athletes in our program have matured a lot this year and the rewards of their hard work and dedication to the game should begin to show next fall."

The baseball season was a successful one although we did not make it to the state playoffs. Coach Montgomery commented that "We moved up to a higher classification and the competition was much tougher. The team ended the season with an 11-4 record, 8-4 in District. Highlights for the season was beating Ringgold by a score of 44-1. A. B. Houston hit 13 homeruns and batted over .600. All of our players performed well during the season. Eric White and Timothy Fuller served as team captains."

HEADLINE: Our brand name
and company name
have changed;
not the quality
of our products

You've no doubt seen advertisements in print or on TV telling you that AT&T has made some changes and that the telephone companies are now separated from AT&T. You may have wondered how all these changes have affected Western Electric here in Shreveport.

At the Shreveport Works, we will continue to manufacture the finest telecommunications products in the world -- they simply have a different name on them. Our products are now being sold under the brand name of "AT&T," a name that, for over 100 years, has been synonomous with quality in the telecommunications industry.

And, we've changed our name from Western Electric to AT&T Consumer Products. We have a new brand name for our products and a new name for our company; but we still set the standards for quality in telecommunications equipment.

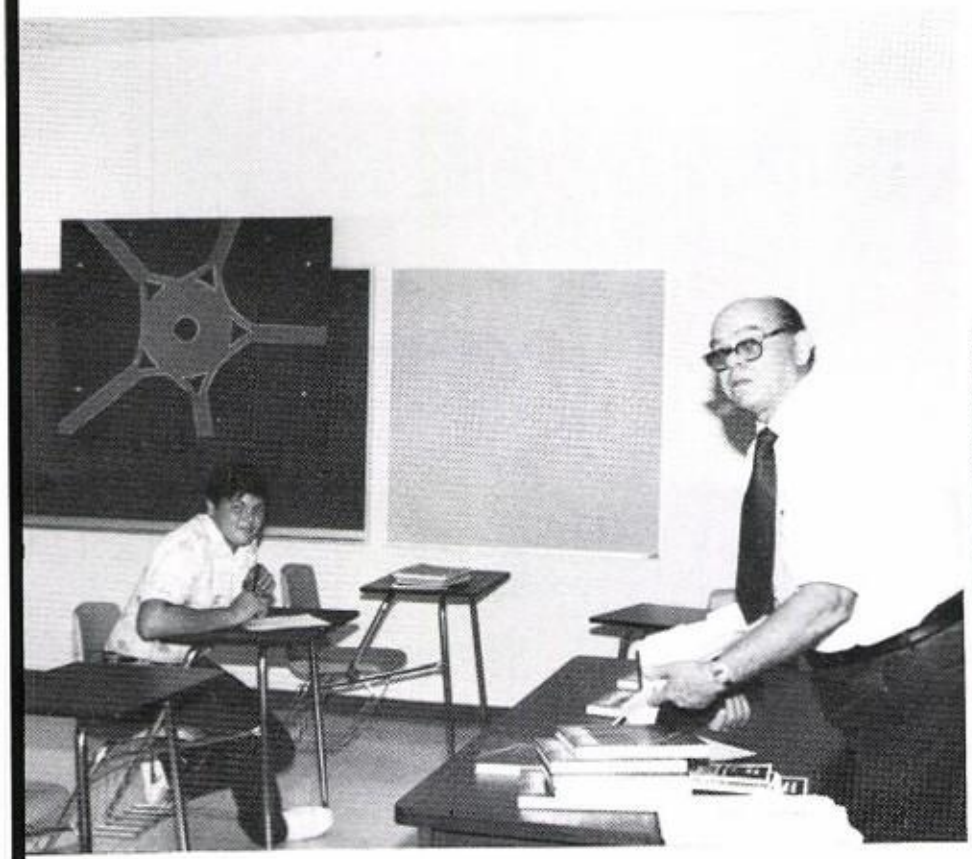
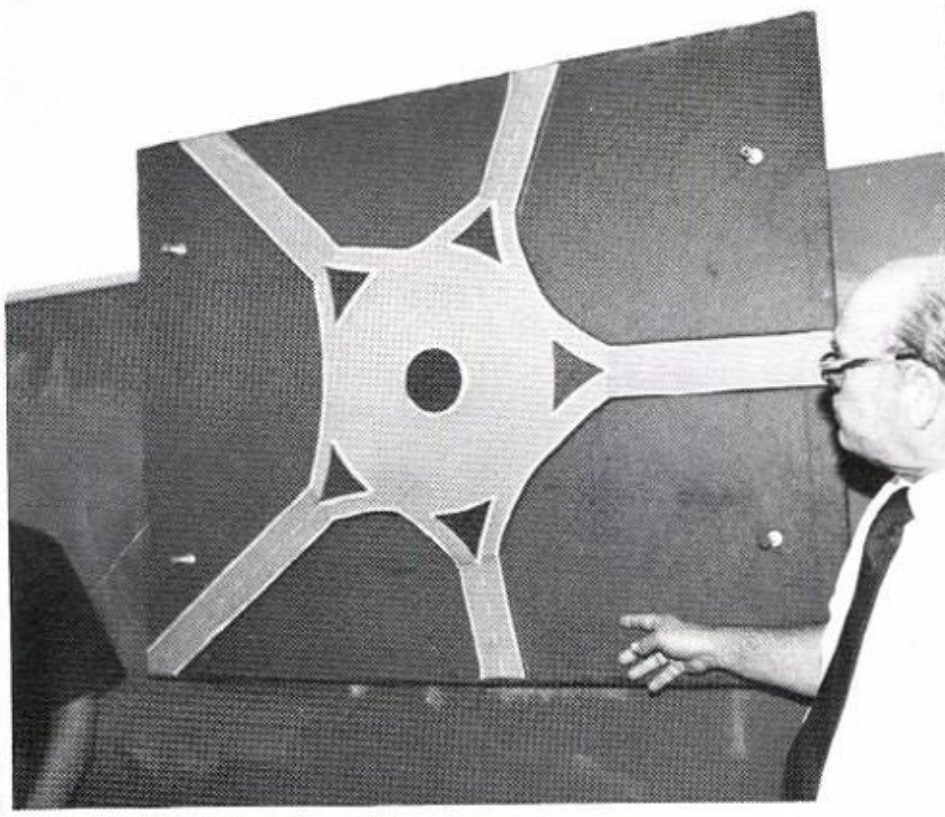
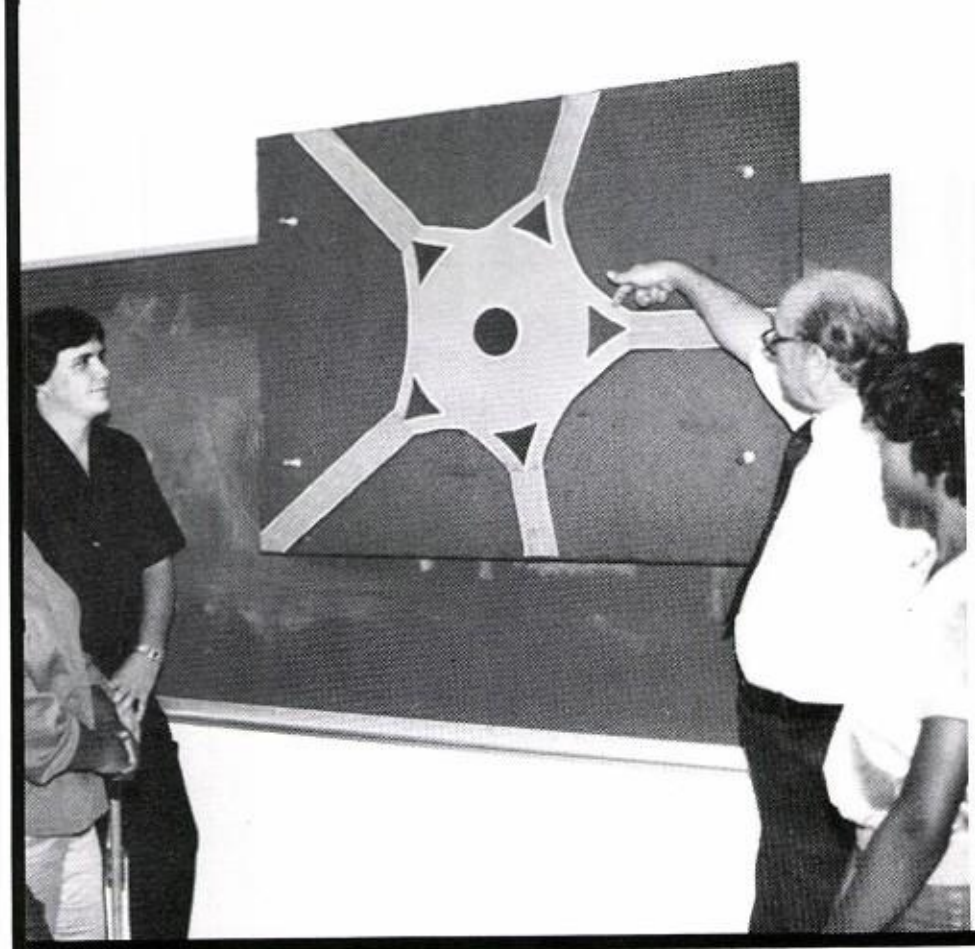
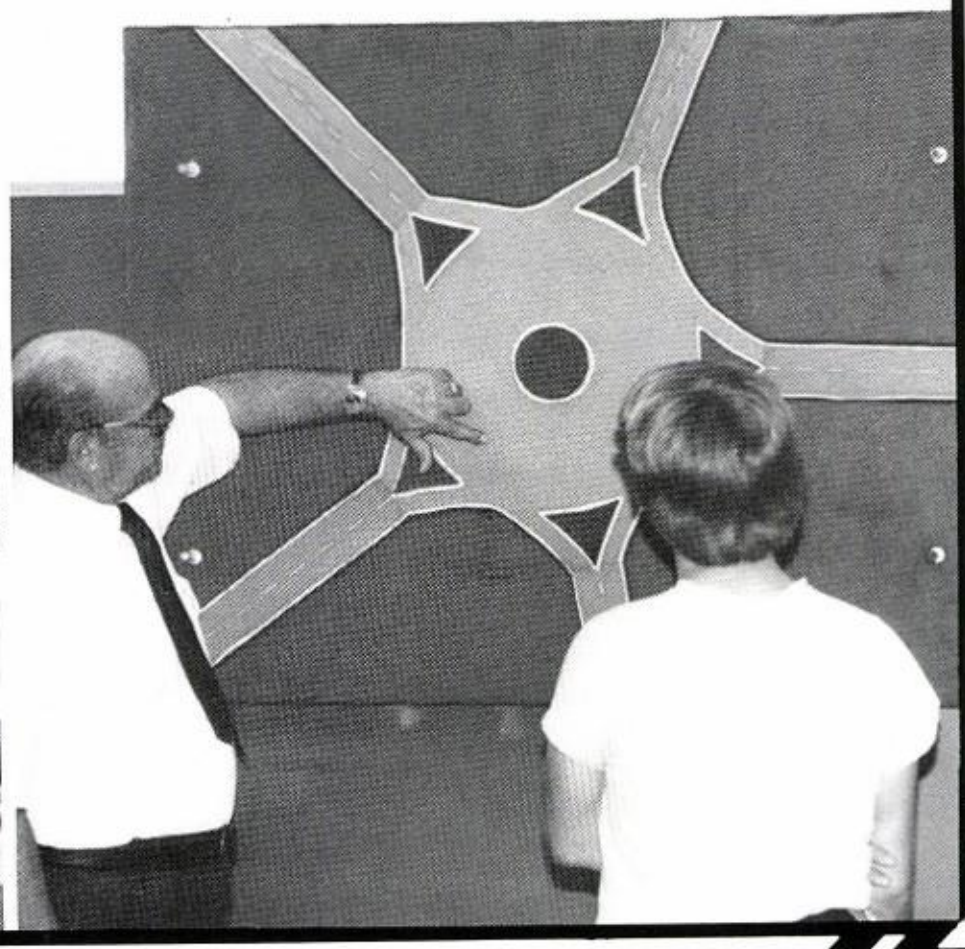
Congratulations . . .

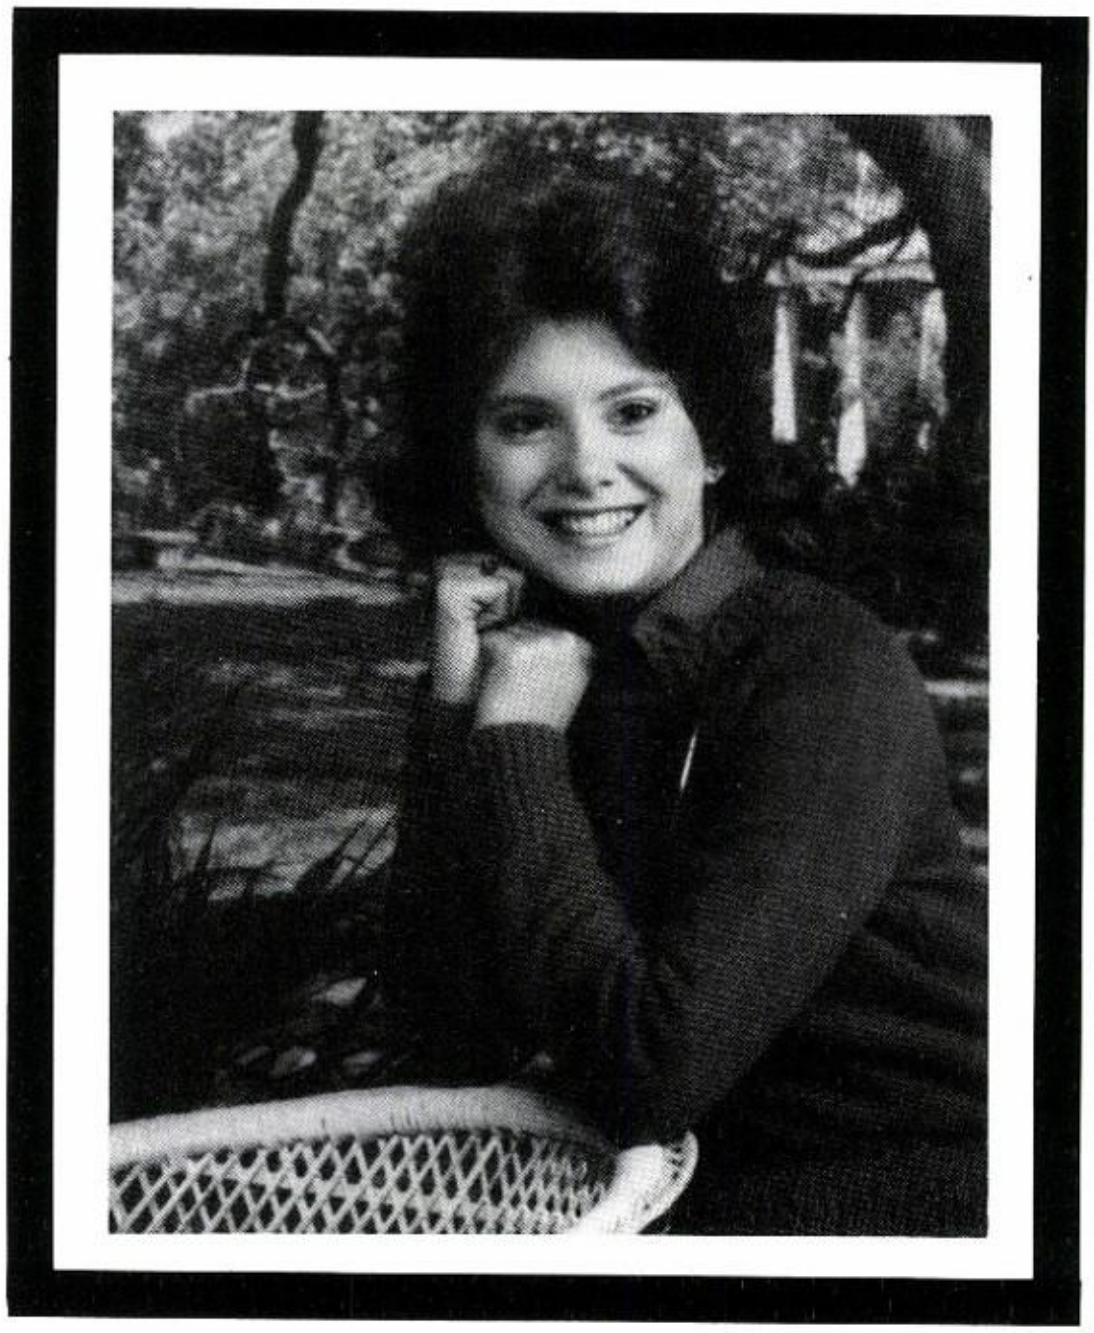
MR. LENNIS E. LATHAM & DRIVERS EDUCATION CLASSES











Another year has come and gone, and I along with the 1984 Medias Res staff, have tried to capture this school year and set it down in print. We have caught the faces and expressions on photos; but it is up to you, the student, to add life and feeling to your memories. Finally, we would like to thank everyone involved in putting out our second year's Medias Res, including the great staff and especially the sponsors who worked so willingly to help us put this book together.

Monya Harris Editor
